In re Application of :
Cao :
Application No. 10/072,302 :
Filed: February 5, 2002 :
Attorney Docket No. 29618-62164 :
For: METHOD FOR CURING COMPOSITE
MATERIALS

OFFICE OF PETITIONS

ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed February 8, 2007 (certificate of mailing date February 6, 2007), to revive the above-identified application.

The petition is **dismissed**.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137(b)." Petitioner is advised that this is not a final agency decision.

This application became abandoned for failure to timely reply to the Notice of Allowance and Fee(s) Due, mailed August 17, 2006, which set a three month period for reply. This application became abandoned on November 18, 2006. A Notice of Abandonment was mailed on December 13, 2006.

A grantable petition pursuant to 37 CFR 1.137(b) must be accompanied by:

- (1) the required reply, unless previously filed;
- (2) the petition fee as set forth in 37 CFR 1.17(m);
- (3) a statement that the **entire** delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. The Director may require additional information where there is a question whether the delay was unintentional; and

- (4) any terminal disclaimer (and fee set forth in 37 CFR 1.20(d)) required pursuant to 37 CFR 1.137(d).

The instant petition does not satisfy requirement (1) above.

Petitioner has not returned a completed PTOL-85B or an equivalent. See the August 17, 2006 Notice of Allowance and Fee(s) Due: How to Reply to this Notice, II.

The statement of unintentional delay was not signed by a person who would have been in a position of knowing that the delay in filing a timely response was unintentional. In the event that practitioner has no knowledge that the delay was in fact unintentional, practitioner should make a reasonable inquiry to ascertain that, in fact, the delay was unintentional. If practitioner discovers that the delay was intentional, practitioner must so notify the Office.

The February 8, 2007 Revocation of Power of Attorney with New Power of Attorney and Change of Correspondence Address has been entered and made of record. Please find enclosed documents reflecting the requested changes.

Further correspondence with respect to this matter should be addressed as follows:
